### PRINCIPAL'S MESSAGE

#### WELCOME

I welcome all our students back to school with a special welcome to our new enrolments. I know our students and teachers will ensure you are well supported as you assimilate into the routine at JJCMHS.

#### CONGRATULATIONS

Congratulations to Yusuf Nayir of Year 10 who shadowed the Director of Botany Bay Schools for a day whilst she performed her duties and visited local schools; quite an achievement for Yusuf and an opportunity that is well deserved. The Director, Judy Kelly, noted that Yusuf is a very impressive student and an outstanding representative of JJCMHS.

A number of students attended the Zone Athletics Carnival last week. Congratulations to all who competed and well done to those who were successful in moving to the next step, the Regional Athletics Carnival.

Mr Jobe informed the staff of the great night that was had by Year 11 Drama students as they completed a major assessment task last week. Congratulations to our performers; I look forward to viewing their HSC performances next year.

I recently had the pleasure of attending the opening for the JJCMHS Art Exhibition at Mascot Library. It was a wonderful night for all who attended. Congratulations to the exhibitors whose art works were on display, performers who entertained the audience and the Hospitality teachers and students who catered for the evening. A big thank you to Ms Ferguson for her leadership in setting up the Exhibition with fellow Visual Arts Teacher, Ms Hambly.

## YEAR 12

Nearly all Year 12 students have now been interviewed, with their parents, in preparation for their HSC. With only 7 weeks of school left it is imperative that they have a sound study program in place so the HSC results reflect each student's true academic ability.

The graduation assembly will be held on the morning of Thursday 19 September followed by the graduation dinner in the evening. The dinner is attended by the students, their parents and our teachers to celebrate 13 years of schooling coming to a conclusion. A separate letter with more details has been given to students.

## TOO MUCH SOCIAL MEDIA? CAN'T MAKE THE BREAK?

Students can now download free software which blocks access to incoming and/or outgoing mail servers and websites for a predetermined period of time. If they wish to focus on completing assessment tasks, homework or study without having any distractions, this would be a valuable tool. Students set the time period in which they don't wish to be disturbed. Just google 'SelfControl'. This is for those who do not consider themselves strong enough to make the break and need some help.

## USEFUL IPAD AND IPHONE APPS FOR SCHOOL

A list of apps related to school, has been handed out to senior students this week. The school's website will have the list uploaded for anyone else who wishes to check out what is currently available.

## NAIDOC ASSEMBLY

As we were going to press the NAIDOC assembly took place. May I congratulate all students involved in the presentation. We will publish the photos and an article in the next newsletter.

Principal

## DEPUTY-PRINCIPAL'S MESSAGE

### SUBJECT SELECTION EVENING

By the time this newsletter is published Year 8 and Year 10 will have been invited and participated in an information evening regarding elective and subject choice. The evening is one event in the overall process to ensure students are provided with information, advice and individual support via meetings and conversations with teachers, head teachers and senior executive.

### COURSE DETAILS

In a year meeting earlier this year students have been presented with information about course descriptions, and details such as fees, work demands and appropriate equipment. They have completed a feedback questionnaire about what further information they need.

Later in the year, Year 10 students will be scheduled for interviews with staff to check that subject choices align with student interests, skills, level of ability and the intended future career path, ensuring individual support and information that is appropriate to their needs, is received and understood.

I look forward to seeing all families again at Parent – Teacher night from 4pm to 7pm on Wednesday 7 August 2013 in our school hall.

## LIBRARY MESSAGE

### NEW RESOURCES IN THE LIBRARY

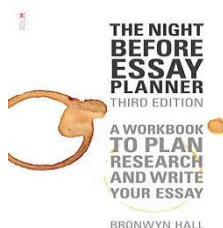

**Australia 1942** edited by Peter. J. Dean

In 1942, the shadow of modern war reached Australia's shores for the first time. This broad ranging study covers key issues from political, economic and home front reform to the establishment of a new partnership with the United States; the role of the Air Force and the Navy; the bombing of Darwin; as well as the battles of Kokoda, Milne Bay, the Beachheads and Guadalcanal.

Japanese and Australian historians offer perspectives on Japanese military intentions and strategies towards Australia and the South Pacific. Generously illustrated, it is essential reading for anyone interested in one of Australia's most decisive and critical years. Reference: <http://www.amazon.com>

Thank you to **Mr. Aub Silcock** for the donation of *Australia 1942* to the library. Mr. Silcock, a director of Club Redfern, is a generous benefactor of JJ Cahill MHS and his support is very much appreciated.

## **METROPOLITAN SECONDARY SCHOOLS CHESS TOURNAMENT**

During Term 2, the JJ Cahill MHS Chess Team competed in the Metropolitan Secondary Schools Chess Tournament. The team consisted of Yusuf Nayir (Captain), Anand Aji, Rene Cuare, Ryan Dunlop-Finch, Zenhua Purcell-Poasa and Carlos Ison. The games were played on Friday afternoons after school and the opposition included Marcellin Randwick, Ascham, Newington, St. George Girls, Randwick Boys and Conservatorium High School.

There were many highlights of the competition, including Anand's many close matches, but the standout was Yusuf's match against Ascham. The game lasted 2½ hours, but eventually resulted in victory for JJ. The boys represented JJ Cahill Memorial High School with distinction when visiting other schools and were excellent hosts for our home games.

The initiative they have shown by practising during recess and lunch and requesting additional coaching is inspiring. The boys worked well as a team and always encouraged each other. Rene even listened to a motivational soundtrack on the way to matches!

Thank you to Yovanis Espinosa for his donation of a digital chess clock and also practising with and motivating the team during lunchtimes.

## YEAR 11 PLAY NIGHT

Earlier this term the Year 11 Drama class made a milestone achievement when they successfully staged a production of Michael Gow's play 'Away'. The play follows the story of three Australian families in the 1950s as they venture on a summer vacation and the students worked hard all term to ensure that both their performances, and the design elements, were of a high standard.

The students and school community should be immensely proud of this incredible achievement. In order to stage a full scale production of this nature students were expected to not only learn their lines and develop a sustained character, but groups of students also took ownership of the costuming, set design and the promotion of the event.

The enthusiasm and hard work of the Year 11 Drama class is commendable and they should be very proud of instigating what is now set to become an annual tradition amongst future Drama students at JJCMHS.

## KITCHEN WHIZ

Late last term a group of Year 7 students braved a 6:30am start and ventured to Fox Studios for a filming session of the popular children's game show, Kitchen Whiz. Students had previously auditioned for the program at school and twelve were chosen to participate as contestants.

Throughout the day both contestants and audience members alike were able to immerse themselves in the exciting world of television production and witnessed firsthand all the work that takes place behind the scenes to produce a program for television. The students who participated did themselves, and the school, proud with their confidence and positive approach to this exciting opportunity.

Watch this space for further information regarding the specific dates and times you will be able to see the outcome of the Kitchen Whiz battles on your TV.

## IMPROVING LITERACY PROJECT

JJ Cahill MHS was fortunate enough to be selected to participate in a National Partnership with the Federal Government focused on improving literacy outcomes. Our school has been given significant funds to support a range of programs and professional learning to refine the teaching and learning of comprehension skills across all subjects and years.

Students in Stage 4 have undergone an assessment of their reading and comprehension skills. This process was very informative for both students and staff. We look forward to sharing these results with parents during the up-coming parent/teacher interviews.

In Stage 4 English classes, students are now engaged in an ongoing 'DEAR' (Drop Everything And Read) Program which supports reading fluency and accuracy. This program also explicitly focuses on the development of comprehension skills. In addition to this, all teaching staff have joined together in literacy buddies. These are pairs or triplets of teachers from different subject areas working together to develop, implement and evaluate strategies for the explicit teaching of reading and comprehension strategies.

This is an exciting development at JJ Cahill which is fostering a great collegial atmosphere focused on improving literacy outcomes for our students. We all look forward to what this National Partnership can do for the reading and comprehension skills of our students and the impact this can have on their overall engagement and achievement at school.

**Premier of New South Wales**  
Minister for Western Sydney

#### Historic Achievement for NSW Students, Teachers and Parents

I am very pleased to inform you that the Prime Minister and I recently announced NSW would be the first Australian State to agree to the "Gonski" national education reforms.

This is great news for students, teachers and parents. It will mean more resources and a fairer system – and assist our aim of higher standards and a better education for our children.

The agreement will deliver an additional \$5 billion for NSW schools as well as continue the NSW Government's education reforms, including improving literacy and numeracy, raising teaching quality and empowering principals and school communities to make local decisions.

I am proud of this historic reform which could not have been achieved without the advocacy of students, teachers and parents across NSW.

Yours sincerely
