OPPORTUNITY

Edition 2 - Term 3 2018

September 2018

FROM THE PRINCIPAL'S DESK

End of a Busy Term

It has been a frenetic term. Everyone seems to be working incredibly hard and will have well and truly earned the next break.

During Term 3 we have celebrated Book Week, showcased students' creative talents in the school's Big Night Out, and there have been numerous excursions, providing opportunities to connect student learning to the real world. The school has also continued to provide extracurricular opportunities such as Guitar Club, Homework Club, Choir, Technology Club and Art Club.

Of course, our teachers continue to provide high quality teaching and learning that caters for the needs of all students. While all this has been happening, our Year 12 students have been working towards their HSC, submitting their bodies of work in Visual Arts, performing their pieces for Music and Drama and submitting their major design projects in Multimedia.

Farewell and good luck, Year 12!

Given that our Year 12 students finish at the end of this term and begin their HSC exams I want to wish them well in the HSC. I want to remind them to continue to work hard and prepare well for this challenging task, and to remember that achievement is about hard work and perseverance.

COMING EVENTS.....

27 September – Year 12 Graduation Ceremony and Graduation Dinner

28 September – Last day of Term 3

15 October – First day of Term 4 for all students

18 October – Higher School Certificate exams begin

7 November – Higher School Certificate exams finish

Facebook:
[J J Cahill Memorial High School Official](#)

It is about not giving up when things get hard. It is about being consistent and organised and doing something every day. Year 12, look after yourselves and look after each other.

To parents of students facing the HSC. They need you at this time more than ever. It can be quite stressful for students approaching the exams. They need time to focus and study in a way that is more intense. This can also be a challenging time for parents trying to support their child and not being quite sure how to go about providing the support they need. While students need different things and may study in different ways some general principals are;

- a space free of distraction.
- minimise other expectations and responsibilities – If they have a part time job perhaps some weeks off during this period might be useful.
- feeling that they are being looked after can help reduce stress – lunch brought to their room might be something that they see as a support.

Parents and Citizens Association

I want to send a big 'thank you' to parents who attended the P&C meeting this term. The discussion was very useful and I believe that we will make some good choices together that support our school and students. I had a number of parents sign up who were unable to attend. We value parent participation and their contribution to the school and would greatly appreciate more parents getting involved in the P&C.

The next P&C meeting will start at 6:30pm on 30th of October in the school common room. It will run for 60 to 90 minutes and be finished no later than 8pm. If you can only come for some of it please feel welcome to leave when you need to. I will provide food and refreshments from our new canteen – they put on a great spread. Very healthy and high quality food.

We will discuss the following and there will be opportunities for parents to ask questions and raise concerns or seek clarification:

- Fundraising - what will the funds from fundraising go towards?
- Parent Voice - building a positive presence of JJ Cahill in the community.
- School uniform.

Parent Forums

We are hoping to have another parent forum in Term 4 and I want to select a topic that parents would like to consider for discussion. I have created a Google form for parents to provide feedback about what they consider would be a suitable issue. If you visit the following link you can provide feedback about what you would like to discuss:

<https://goo.gl/forms/ueFceMY6yiYsvIzr2>

Once we have selected an issue, the goal will be to inform parents and establish the perception they may have of what is currently occurring, as well as to consider our future actions in this regard.

Looking forward to working closely with you to support the future of our students.

Thank you
Ralph David
Principal

A MESSAGE FROM THE DEPUTY PRINCIPAL

Farewell Year 12!

This is the final newsletter Year 12 will be issued as students of our school. Of course they have access to and can read future editions on the website should they want to catch up on all things JJ! I want to take this opportunity to remind Year 12 students to keep on striving for personal best and excellence. They are a dynamic group of students who have so much to offer society. Successful futures await for so many of them. In the next few years they may take different pathways. Some may continue to study; locally, interstate or abroad, some may take up immediate occupational opportunities and some may travel, but the experiences and friendships they have shared at school will forge their connections and memories when they meet again next.

I know they will continue to support each other whenever that need should occur. They have welcomed so many new enrolments over the years into their friendships, hearts and homes. Some have shown a thirst for learning and a drive to succeed, others have been consistent in their application and attendance, while some others have managed their study commitments with part time employment and their responsibilities with their families. The school community, including all staff and students, wishes Year 12 the best of luck with their HSC exams and their future pathways and want them to know they are welcome to visit and share their stories at any time.

Reminder: The HSC Examination starts Thursday 18 October 2018.

TELL THEM FROM ME SURVEY

Each year we ask students to tell us their opinion and overall school experience. For the past few years the school has participated in a survey from The Learning Bar called Tell Them From Me. This year the survey had a Focus on Learning with emphasis on student engagement, belonging, advocacy and application to learning. Students, staff and parents will have the opportunity to participate in this next survey. Members of the school community who would like to participate in this survey can use this link: <https://nsw.tellthemfromme.com/jj2018>

We would like to encourage all parents, caregivers, and members of the community, to participate in these surveys so a more holistic response can be collected and then interpreted to learn about overall perspective and experience.

BIG NIGHT OUT

Congratulations to all performers and a special thank you to Mr Lim-Klumpes, Mr Hooper, Mr Sneddon and all staff who helped them with organising the event or ran food stores, sold tickets or had significant roles on the night. Without your commitment to our school and students we would never be able to hold such an event on our calendar. I am sure you would agree with me that it was a fantastic night showcasing the amazing talents our students have. If you were not able to make it on the night please mark this event in 2019 when we publicise the date. I am sure you will be impressed.

Please encourage your child to attend school every day to consolidate their learning and development. Consistent school attendance is the biggest influencer of successful learning and ability to develop a sense of school belonging with strong friendships and valued connections with teachers.

Have a great break and see you all from the very first day of Term 4 on Monday

John Mifsud
Deputy Principal

LIBRARY NEWS

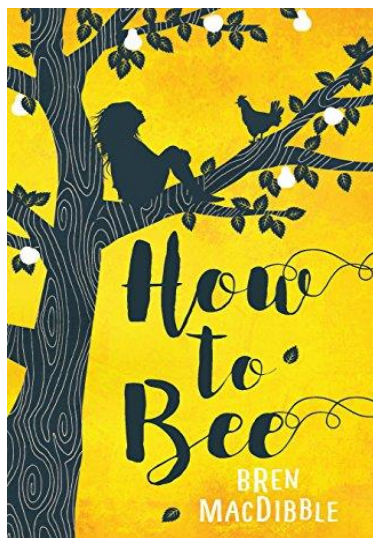

Shortlisted and Winners of the Children's Book Awards 2018

'In the Dark Spaces' by Cally Black:

The latest winner of the Ampersand Prize is a genre-smashing hostage drama about 14-year-old Tamara, who's faced with an impossible choice when she falls for her kidnappers. Yet this is no ordinary kidnapping. Tamara has been living on a star freighter in deep space, and her kidnappers are terrifying Crowpeople – the only aliens humanity has ever encountered.

'How to Bee' by MacDibble, By Bren MacDibble:

WINNER: CBCA Book of the Year for Younger Readers, 2018

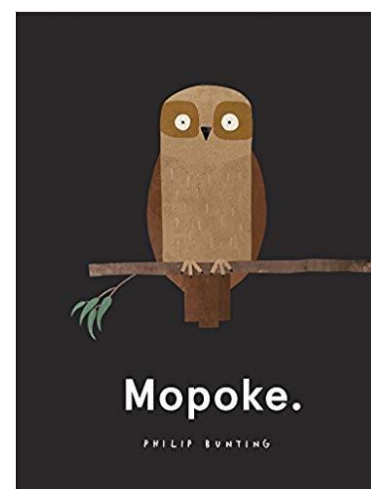

WINNER: 2018 NSW Premier's Literary Awards, Ethel Turner Prize for Young People's Literature

WINNER: 2018 New Zealand Book Awards, Wright Family Foundation Esther Glen Award for Junior Fiction

Peony lives with her sister and grandfather on a fruit farm outside the city. In a world where real bees are extinct, the quickest, bravest kids climb the fruit trees and pollinate the flowers by hand. All Peony really wants is to be a bee. Life on the farm is a scrabble, but there is enough to eat and a place to sleep, and there is love. Then Peony's mother arrives to take her away from everything she has ever known, and all Peony's grit and quick thinking might not be enough to keep her safe.

'Mopoke' by Bunting, By Philip Bunting:

Mopoke the owl loves peace and quiet, but the bush is full of many, many annoying disturbances. Poor Mopoke is about to find out that you can't always get what you want. Visually brilliant, and hysterically funny, this debut picture book by Philip Bunting is destined to become a classic.

What's happening in the Library? From the Librarian

Book Week celebrations

Each year across Australia, the CBCA brings children and books together celebrating CBCA Book Week. During this time schools, libraries, booksellers, authors, illustrators and children celebrate Australian children's literature.

At JJ Cahill Memorial High, we celebrated great literature by dressing up as our favourite characters (pictured) and we had a famous Australian author, Megan Jacobson talk to us about the amazing craft of writing. She inspired us with her story and encouraged writers at JJ Cahill to be passionate and courageous in all aspects of their lives.

New eBooks!

Are We All Lemmings & Snowflakes by Holly Bourne

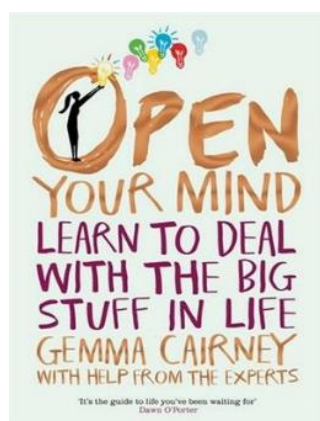

Welcome to Camp Reset, a summer camp with a difference. A place offering a shot at "normality" for Olive, a girl on the edge, and for the new friends she never expected to make – who each have their own reasons for being there. Luckily Olive has a plan to solve all their problems. But how do you fix the world when you can't fix yourself?

My Secret Youtube Life by Charlotte Seager

What if your favourite YouTuber's life was a lie? What if you were the one to expose it? YouTuber LilyLoves has an amazing life: a rockstar boyfriend, a totally Insta-worthy London flat and a collection of beauty products that seems to grow daily (thanks, PO Box).

Sixteen-year-old Melissa's life is way less amazing – LilyLoves is the only thing getting her through it. She's Lily's biggest fan and spends hours each night watching her videos and liking her posts. Melissa wants that life for herself – or at least to look like she has it . . . As Melissa starts to grow in confidence – and followers - she discovers a crushing secret about Lily – the ultimate YouTube lie. Does she share Lily's secret and crush her fame? Or will they both continue to live a lie – both online and off?

Open Your Mind. Learn to deal with the big stuff in life by Gemma Cairney

Full of honest and practical advice from Gemma Cairney and a whole host of trained professionals and real people, Open Your Mind is the best friend of a book everyone needs. From stress, trauma and anxiety, to your place in the world and everything in between.

How to access these eBooks

JJ has an exclusive eBook collection for all students. Thousands of your favourite books and new releases are free for you to read on your smart phone or your tablet.

1. Go to your app store and type in eplatform by wheelers
2. Download the app
3. Click on **"Find your library"** and type in J J Cahill
4. **START BROWSING and ENJOY**

JJ Cahill Library Promotes LGBTQIA Inclusive Education

At JJ Cahill we are committed to protecting the rights of all LGBTQIA (Lesbian, Gay, Bisexual, Transsexual, Queer/Questioning, Intersex, Asexual/Allied) people. We promote inclusive education for all members of our community and one way we are doing this is by recognising and providing resources related to LGBTQIA.

Libraries play an important role for heterosexual and LGBTQIA individuals looking to find information about coming out, health, and family topics, as well as leisure reading.

We have an LGBTQIA section in our library that:

- introduces teens of all sexualities to well-written, entertaining, and positive representations of LGBTQIA characters and
- Draws attention to the fact that the library is a supportive, inclusive space for everyone.

Through education, support and inclusivity, JJ Cahill promotes healthy attitudes to issues related to people of diverse sexuality and gender. These are just some of the LGBTQIA books we have available in our library

More Chromebooks coming our way!

JJ Cahill Memorial High School is investing in the most accessible, fast and efficient learning technologies for our learning spaces. By the end of the year we will have a full class set of touch screen Chromebooks in the library. This secures a library space that is flexible and focuses on 21st century learning.

Chess Club

Join the chess club on Friday lunch times in the library to enjoy some healthy competition.

Homework Club

Join us in the library on Monday afternoons from **3:05pm to 4:30pm**.

New students

Having trouble logging into your student email or computers at JJ Cahill? If this is you, please see Mrs Long in the library. I am the person who can check your username, email and reset your password.

Remember: if in doubt, visit the library!

Tara Long
Teacher Librarian

TO THE YEAR 12 CLASS OF 2018

Congratulations on making it to this milestone!

Thirteen years of schooling have come to an end and you should all be so proud of your achievements. I feel very privileged to have played a small role in your schooling journey as your Year Adviser from Years 8 to 12. I am proud of the young adults you are shaping up to be.

As you head into your lives and the years unfold, inevitably more responsibility will come your way, at times stress, big decisions and uncertainty... Remember to be kind to yourselves. Remember to stay connected with those around you who support and love you unconditionally. Life can take us to unexpected places and your best defence is to stay connected, and talk to those who you feel safe with when things become hard.

I hope you will all approach the final hurdle of the HSC with commitment and optimism, and as you venture out into the big world post-HSC, keep an open mind to all the opportunities that I know will head your way. Graduation is such an exciting and momentous time. I am sure you will look back on your time at JJ and smile, while remembering these days as some of the best of your life!

You are the creators of your own lives and the excitement of the adventure ahead belongs to you. Year 12, 2018 - I wish you every possible happiness!

Here are some resources and organisations that may help you in the weeks before the HSC and beyond for further support and advice for life after school:

Maria Perez
Year 12 Adviser

IT'S BEEN A BIG TERM FOR YEAR 11!

The cohort started off the term with a nice retreat along the Hawkesbury River for the Crossroads Camp. Students who attended the camp learned about the challenges and responsibilities of adulthood and engaged in other activities such as rock climbing and kayaking.

As the term closes, it's important for Year 11 to recognise that their HSC begins from the beginning of next term. They are advised to return to school with a growth mindset and strive to achieve their absolute best in the first term of their HSC year.

Finally, congratulations goes to Angelica Papadopoulos for her wonderful article on Big Night Out, recently published in the Southern Courier (pictured, at right). What an impressive achievement!

Stephen Theodorou,
Year 11 Adviser

A BUSY TERM AHEAD FOR YEAR 10

A busy term awaits Year 10 with several events happening. Final subject selections will be made for Stage 6. Following this will be the yearly examination period where Year 10 will sit their final exams for each course.

I encourage all students to prepare by engaging in a regular study routine in order to achieve their best.

Following the examination period, there will be a series of events for Year 10. They will be completing their end of year activities which include:

- All My Own Work
- Peer support training
- Team building
- Stage 6 preparation
- Work experience
- Whole year excursions

I hope all students enjoy the break and recharge their batteries for the home stretch!

Luke McNaught
Year 10 Adviser

SOUTHERNCOURIER.COM.AU | TUESDAY, SEPTEMBER 18, 2018

Big night out for talent

ON August 31, we at J J Cahill Memorial High School held the 10th edition of our annual performance night, the Big Night Out.

It is an event where we showcase the amazing talent our students and teachers have to offer in drama and music.

Our Year 11 drama students were the MCs for the night and did a fantastic job. The night started with the school band performing two entertaining and energetic songs. There were a number of music items — the singers were skilled and the musicians played beautifully. A standout performance was

an original composition performed by Year 10 students Zen Phillips and Jaden Youd.

There were three drama performances (pictured) from Years 9, 11 and 12. These performances were very comical and the audience was enthralled.

An important part of Big Night Out is the Pacific Islander dance that concludes the show. It was choreographed by Y12 students Tasi Folau and Mele Mailau. *Warriors of the South* featured male and female students. The audience loved it and joined in with the chanting and dancing.

• Angelica Papadopoulos, Year 11

THIRD TERM HAS BEEN A PRODUCTIVE ONE FOR YEAR 9

Year 9 has had a calm and satisfactory third term. We've been working together to assist students in reaching personal goals, encouraging kindness every day.

Year 9 students have had opportunities at UNSW, NSW scouts and made an amazing showing at Big Night Out X. Both performers and backstage assistants came from Year 9 for this years production and I am hopeful that this amazing attitude is carried through to next year seeing even more participation.

A special congratulations to Raise mentees who graduated from this rewarding mentorship program on Monday 24th of September.

It was an exciting opportunity for these students who have made life long connections with their mentors. Thanks goes to all the organisers and mentors who volunteer their own time to provide this program to Year 9 students at JJ.

Have a fantastic holiday Year 9, ready to power through to the end of the year next term!

Emily Lawson
Year 9 Adviser

CONGRATULATIONS ON A GREAT TERM, YEAR 8!

Congratulations on another great term - Year 8 have been striving to embody our school values in all areas of their schooling. We are looking forward to another positive school term as Year 8 prepare for their entry into Stage 5 of their schooling lives.

Have a safe break and see you all next term.

Petros Goudis
Year 8 Adviser

IT'S BEEN A ROLLERCOASTER, YEAR 7!

Year 7, we have had a bit of a rollercoaster term. The closing of Term 3 presents us with the opportunity for a fresh start in Term 4.

Lets make our last term of Year 7 the best one yet, by ensuring your are organised and have all of your learning materials and equipment for each day, embracing all learning, sporting and extracurricular opportunities that come your way, and most of all being kind and polite in our interactions with one another.

Enjoy the break and I am looking forward to a positive last term and end of year with you all.

Tamara Tickle
Year 7 Adviser

SOME NEWS FROM THE CAREERS ADVISER

Year 10 Work Experience

Year 10 will be commencing work experience during Week 8, Term 4, Monday 3rd – 7th December. Students need to ensure that they hand in all completed forms including the **Parent Permission** form (due on 3rd August), and the **Student Placement Record** (due on 16th November) otherwise the work experience cannot take place as these forms are necessary for insurance coverage to take affect. The **Parents and Carers Guide to Workplace Learning** was distributed to all students to give to their parents or carers. All Year 10 students have access to these documents on the **Year 10 Google Classroom**.

Year 10, please keep those work experience forms coming in!!!

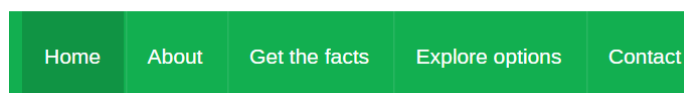

Career Support Google Classroom

We now have 79 students who have joined the **Career Support Google Classroom** and it's hoped that more students will get on board. This is relevant for all school students to be able to self-access information that will help them with their career development. It's never too early to investigate what your future career may be.

The Careers Advisory Service website provides students, parents and caregivers with access to career information to help guide decisions about a student's next steps after school. It is available year round.

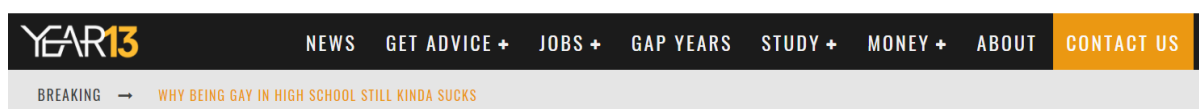

www.careersadvisoryservice.com

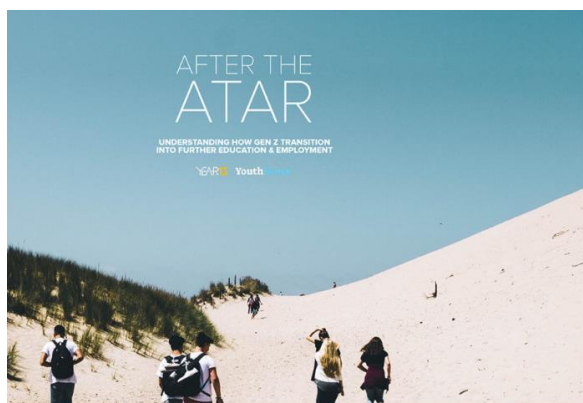

Year 12

Congratulations on making it this far. You're nearly there, but there is still a bit of work to do (study and exams) so keep your foot on the pedal. By now you should have had a final transition career interview to help assist you with stepping out towards life after school. A couple of timely resources and things to keep in mind to further support your career decisions and planning;

- Switch your education email to your personal one in the "Account Details" section of the myfuture.edu.au/userhome#/ website so you can access this site long after leaving school. To fully access
- A reminder that you are able to access the services of www.jobjump.com.au throughout Year 13 (only available for one year after graduating, and not related to Year13 below). Please register if you have not done so.

Year13 is an online resource for post-school options that specialise in Apprenticeships, Gap Year programs, Job Vacancies, Studying, Money Advice, Internships, and fun of life after school. It has a simple mission; “we just want to improve the health and happiness of all young Australians, and create a community where our generation [Generation Z] can come together to actually have our voices heard. By providing a comprehensive place to explore all our post-school options, we wanted to alleviate some of the stress of young life”. year13.com.au/
www.facebook.com/Year13au/

Year13's first research paper, **'After The ATAR: Understanding How Gen Z Transition Into Further Education and Employment'** combines the fascinating results of four surveys into 7300 Australian high school students. **'After the ATAR II: Understanding How Gen Z Make Decisions About Their Future'** is also available and you can access these resources here youthsense.com.au/after-the-atar/

Good luck Year 12!

Mr Nathan Potter
Careers Advisor

A WELL-DESERVED DEADLY KIDS AWARD FOR JENNIFER!

Congratulations to Jennifer Amponsah in Year 9 (pictured, right) who is a recipient of the 2018 Deadly Kids Doing Well Award. 'Deadly' is an Aboriginal English word for 'great', 'excellent' or 'fantastic'.

This award can be received by one Aboriginal and Torres Strait Islander student from each school in the Ultimo region. These students must attain some or all of the following:

- Attend school regularly
- Completes set tasks (such as homework and assigned duties)
- Has improved in their school work
- Is achieving at a high level
- Is a positive leader

Jennifer is a dedicated student who loves exploring science and technology. This is a fantastic award to receive and it is well deserved. Congratulations Jennifer!

Luke Mc Naught
Aboriginal and Torres Strait Islander Programs Coordinator

BSTREETSMART!

On the 29th of August, 2018, Year 10 was invited to Sydney Olympic Park to the Qudos Bank Arena to attend an event held by bstreetsmart, an educational program on road safety designed to inform students about the risks and dangers on the road. The purpose of bstreetsmart is to reduce the fatality and injury rates of young people by promoting safe behaviour as drivers, riders and passengers.

bstreetsmart is the inspiring initiative of the Trauma Service at Westmead Hospital, working with schools and organisations to get students and teachers experiencing and learning about the impact of dangerous/distracted driving and the consequences for those directly and indirectly involved in an crash.

During the event, we witnessed a confronting live reenactment of a horrific car accident.

We viewed the consequences of unsafe driving practices and watched as the passengers and the drivers were injured on impact, and how emergency services handled the situation, the hospitalisation of victims and the arrest of the driver.

For many of us, it was a very heavy experience to witness something so realistic. The crash depicted a common road crash involving young drivers, a situation that was very close to home and relatable due to their age.

After the reenactment of the crash was over, we listened to many victims and trauma survivors of car crashes, as well as parents and friends of victims. This was extremely emotional and somewhat hard to hear, but also very interesting and fascinating.

Everyone thoroughly enjoyed the whole experience of the bstreetsmart road safety excursion. It was very informative about the risks that come with being on the road as well as common things that cause accidents (phones, passenger distractions etc) and what to do if you're ever in an accident.

The experience has changed us all in a way where we would now think more cautiously, and act more carefully on the road. Simply because, at any moment our lives, or the lives of loved ones could end or change forever. So be street smart.

Daniella Manning-Shlemon
Year 10

NEWS FROM THE INCLUSIVE EDUCATION UNIT

Discovering Egypt for a day!

As part of our unit on Ancient Egypt, Students in the Inclusive Education Unit went to the Nicholson Museum in Sydney University and discovered mummies, artefacts and a Lego exhibition. The kids enjoyed seeing the Pompeii Lego diorama, and explored the beautiful grounds of the Sydney University quadrangle. We felt like we were in Harry Potter! It was a fun and informative day!

Let's Walk and Cook!

Students in the Inclusive Education Unit have started a 'Walk and Cook' program as part of community access. We walk through the local community to Eastlakes shopping centre, shop at Aldi and bring the ingredients back to school to cook a variety of recipes chosen by the students. We have made stir-fries, burgers, pasta and muffins.

Enjoying our work experience!

Students in the Inclusive Education Unit have started work experience at DSA in Mascot. They help to repack food and utensils for a selection of airlines.

The students have been enthusiastic and have already learned a variety of new skills and have displayed an excellent work ethic!

Lots of fun was had at the sports gala day!

Students from the Inclusive Education Unit participated in a Sports Gala Day at Rose Bay Secondary College with students from Rose Bay and Matraville Sports High School. We played a range of friendly games and socialised with our friends. It was a fantastic day filled with fun competition and camaraderie!

WHAT'S BEEN HAPPENING IN TAS?

Year 10 Food Technology: Summer Salads

Year 10 Food Technology designed and made a delicious variety of salads for their Food Trends unit of work.

The students made a variety of salads including:

Chicken Caesar salad

Avocado and olive salad

Fruit salad

Potato salad.

Students will now be able to make these for their family and friends.

Ms Ng

Stage 4 Technology (Mandatory) – In Their Own Words!

Ms Prasad's Year 7 group enjoyed making pillow cases this term. Here are some statements from students:

"The experience was a lot of fun and it is exciting to have Textiles. It is my favourite subject" (Metin Temurtas)

"It was a lot of fun to make the pillow cases. We learnt how to use the sewing machine. Now we are doing cooking practical, which is also very interesting. We made apple turnovers and enjoyed eating them with ice cream." (Alex Lazarev).

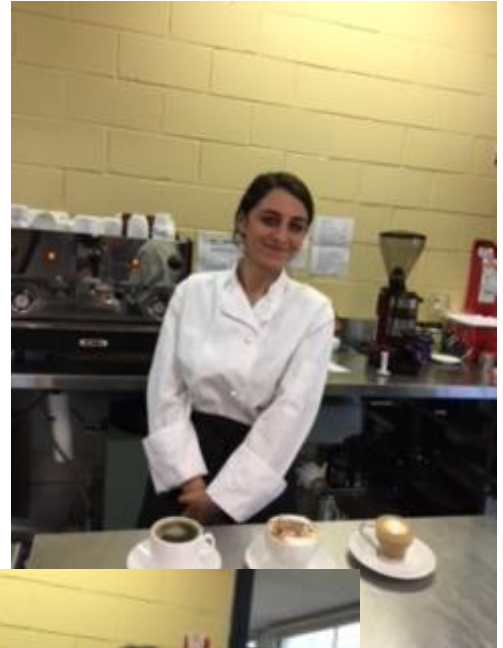

"We enjoyed making pillow cases. We learnt so many sewing skills, especially using the electric sewing machine. Practical cooking lessons are really exciting. We made four different dishes so far and they were all so delicious!" (Sam Bulivakarua).

Year 12 Hospitality

Year 12 Hospitality were assessed for their unit of work Prepare and Serve Espresso Coffee. They were all successful in making three coffees to industry standard within a set time. Ms Strempele travelled from Minto High School to co assess with Ms Ng. Here are the photos of the students in class with their coffees.

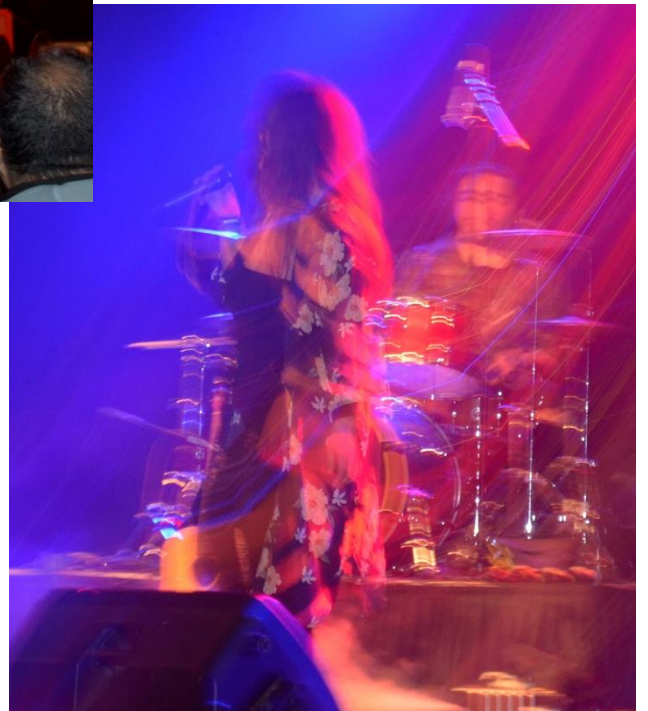

Farwell and congratulations to Year 12 Hospitality.

Ms Ng

ANOTHER AMAZING BIG NIGHT OUT!

OCTOBER 2018 YOUTH HOLIDAY PROGRAM
