International Women's Day

On March 11th, we hosted a formal assembly to celebrate International Women's Day, reflecting on gender equality and women's achievements. We thank all the students, along with Ms. Gunawan, Ms. Jessop, and Ms. Fitzgerald, for their contributions in organising the event.

We were honoured to welcome our guest speaker, Gloria Chan, a finance and law professional who invests in renewable energy projects in Australia to combat climate change. As a working parent, Gloria shared empowering insights, helping us embrace the theme of "Accelerate Action" for International Women's Day. Her inspiring words encouraged all students to take meaningful steps toward progress and equality.

School Swimming Carnival: A Splashing Success!

This year's school swimming carnival was a fantastic event, with great attendance and a positive atmosphere that made the day truly memorable. The students showed up in full force, ready to showcase their swimming skills, and the mood was high throughout the entire event. There was an undeniable sense of camaraderie and sportsmanship as everyone participated with enthusiasm and energy.

Three talented students, Carson T, Egshiglen A, and Oscar G stood out by qualifying for the Zone Swimming Carnival, an outstanding achievement that reflects their dedication and skill in the pool.

The highlight of the day was the thrilling Staff vs. Students race. In a surprising turn of events, the students triumphed over the teachers, claiming victory in the friendly competition. The crowd erupted in cheers as the students outpaced their teachers, adding an extra layer of excitement to the event.

One of the most impressive aspects of the carnival was the exceptional behaviour displayed by all participants. The students demonstrated excellent sportsmanship, supporting one another and showing respect to the staff and their peers throughout the day. The event was a great example of school spirit, teamwork, and friendly competition.

Overall, the school swimming carnival was a tremendous success, and everyone left with smiles on their faces, already looking forward to next year's event!
