

Registering for Job Jump

1. Go to jobjump.com.au and select "I'm New" in the top right corner. In the "School" box type in "j.j" and the schools full name will appear. Then type "jjc" in the "School Password" box.
2. Provide your personal email address into the "email address" box and remember that you can access this web site until Year 13 (one year after finishing Year 12) only if you use your personal email not your school email.
