

# Myfuture Registration Instructions

1. Go to [myfuture.edu.au](https://myfuture.edu.au) and select **Sign up**. Ensure you use your Department of Education email account @education.nsw.gov.au
2. Once activated, students have the **option to change their email address** to their personal account by selecting "Account Details" from the drop down menu in the top right corner of the page. This allows students continued access to myfuture, free of charge, long after they have left school.
